

# PROJECT GOALS

# CURRENT FACILITIES

- Lacks ADA accessibility
- No permanent restrooms
- Field limits practice & activity options
- Inadequate track
- Poor lighting

# HOLY FAMILY REFLECTION GARDEN

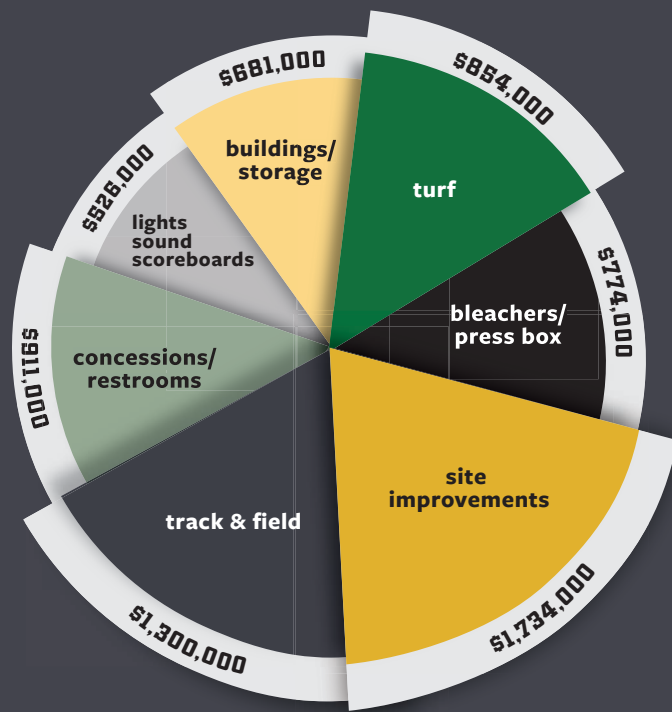

First and foremost, this garden will represent the preeminence of our Savior and the Holy Family in all we do. We also want to offer this space as a place to honor the hundreds of members of the KCHS family that have been a part of building our rich tradition at Miles Field. Donors at the \$1000 level and above will be able to inscribe a brick allowing us to always remember our humble origins along with the dedication and service of so many volunteers that have formed the spirit of our KCHS Community.

# BUDGET: \$7.48 MILLION

(\$6.78M total + \$700K financing)

\*\*projected cost

# IDEAL FACILITIES
